Taxi Cabs

The Metropolitan Atlanta Rapid Transit Authority (MARTA) covers the metro Atlanta area (Fulton & Dekalb counties) with scheduled service to and from the airport.

The MARTA entrance is located at the west entrance of the terminal complex, near other ground transportation services.

MARTA trains arrive and depart from the airport every 8 minutes.

In 15 minutes, a passenger can travel the 10 miles to downtown Atlanta, where connections are available to other parts of the city.

Schedules for MARTA rapid rail service are available at the Airport. Bus schedules also may be obtained by calling MARTA Customer Services weekdays from 8:30 AM to 5:00 PM at **(404) 848-4711** or by visiting the website.

To get to the Omni Hotel at CNN Center take Northbound to the Five Points stop. Transfer to the Westbound train going to the Dome/GWCC/Phillips Arena/CNN Center stop. The CNN Center is attached to the hotel. It is a brief walk to get to the South Tower Lobby.

A set fee prevails between the airport and the central business district. A special per-person rate applies for two or more passengers.
